

SINGAPORE DECLARATION 2017 ON WORK-RELATED TRAVEL SAFETY, HEALTH & SECURITY

This is to certify that

Praeventia

has pledged commitment to **Duty of Care**.

As an Ambassador of Duty of Care, the Organisation pledges to promote the development of a culture of prevention of incidents associated with work-related travel or assignments.

The organisation understands that through its commitment, it reinforces the importance of protecting their mobile workers. It also recognises the relevance of travel and assignment safety, health and security for their travelling workers and assignees.
